PISCINE WELLNESS · POOL-SHAPER

Project Book

rectangular pool 10.00 × 4.50 m, depth 1.50 m

PROJECT ID

QA-OFFLINE

24 October 2026

The project

In-ground pool · Hidden overflow · approx. 45 m³ of water

YOUR POOL

Type	In-ground pool
Structure	Reinforced concrete
Dimensions	rectangular pool 10.00 × 4.50 m, depth 1.50 m

WATERLINE

Hydraulic system	Hidden overflow

Materials and finishes

MATERIALS

Lining	Motion Sand Beach [179] Aquamarine water tones
Coping	Porcelain stoneware Deck-level pool edge
Paving	Porcelain stoneware
Paving size	60 × 120 cm Reference dimensions for the visualisation; supply to be confirmed.

Access, comfort and options

ACCESS AND COMFORT

Included	Sun shelf loungers · 3 · White
Included	Integrated internal stairs — Straight internal stairs
Included	Sun shelf · total length 3.400 m · water 10 cm
Included	Integrated bench · 4 seats · 16 jets

PRESENTATION

Time of day	Night

LIGHTING

Stair options	LED spotlights in the internal stair risers
Equipment	Underwater LED lighting
Lights	3 · automatic, indicative sizing
Selected colour	#FFFFFF
Light brightness	26%

Plan and technical data

Depth 1.50 m

Configuration data, not a construction design. Flow rates, suction, balance tank and site compatibility require technical verification.

System	Hidden overflow
Structure	Reinforced concrete
Water volume	44.6 m³ Calculated
Water surface area	45.0 m² Calculated
Base pool surface area	86.9 m² Calculated on the base shell; comfort features and details excluded.
Interior finish	ca. 86.9 m² · estimate Interior surface as an initial estimate; wastage and installation details excluded.
LED	3 · automatic layout From layout
Collection	29.0 m · perimeter Concealed perimeter slot and collection; the hydraulic section requires a design.
Returns / drains	Positions to be designed The position and number of returns require a hydraulic design. Main drains and suction requirements require a hydraulic design.
Balance tank	Volume to be verified Technical verification required; the configurator does not calculate this volume.
Cover	Not selected
