

PISCINE WELLNESS · POOL-SHAPER

Project Book

rectangular pool 10.00 × 4.50 m, depth 1.50 m

PROJECT ID

PW-4QFG-QQ485X

24 October 2026

The project

In-ground pool · Skimmer — classic edge · approx. 61 m³ of water

YOUR POOL

Type	In-ground pool
Structure	Reinforced concrete
Dimensions	rectangular pool 10.00 × 4.50 m, depth 1.50 m

WATERLINE

Hydraulic system	Skimmer — classic edge
Skimmer	Slim / modern · White ABS

Materials and finishes

MATERIALS

Lining	Motion Arctic White [180] Water with turquoise reflections
Coping	Travertine Separate coping
Pool corners	Rounded Rounded pool corners: 20 cm radius.
Paving	Porcelain stoneware
Paving size	60 × 120 cm Reference dimensions for the visualisation; supply to be confirmed.

Access, comfort and options

ACCESS AND COMFORT

Included	Integrated internal stairs — Straight internal stairs
Included	Hydromassage A

OPTIONS

Included	Chaise longue · 4 loungers

PRESENTATION

Time of day	Day

LIGHTING

Stair options	LED spotlights in the internal stair risers
Bench options	LED spotlights on the hydromassage bench
Equipment	Underwater LED lighting
Lights	3 · automatic, indicative sizing
Selected colour	#FFFFFF
Light brightness	26%

Plan and technical data

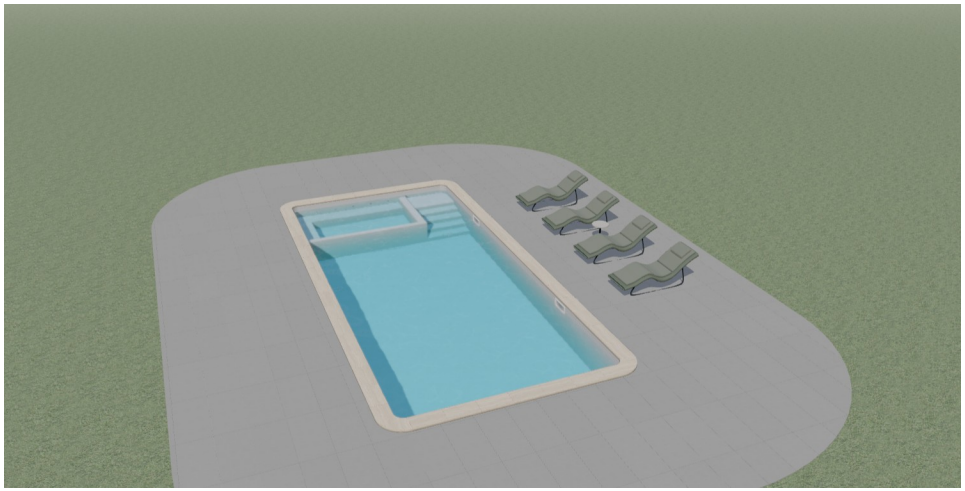

System	Skimmer
Structure	Reinforced concrete
Water volume	61.0 m³ Calculated
Water surface area	45.0 m² Calculated
Base pool surface area	87.9 m² Calculated on the base shell; comfort features and details excluded.
Interior finish	ca. 87.9 m² · estimate Interior surface as an initial estimate; wastage and installation details excluded.
LED	3 · automatic layout From layout
Skimmer	2 · positioned From layout
Returns / drains	Positions to be designed The position and number of returns require a hydraulic design. Main drains and suction requirements require a hydraulic design.
Cover	Not selected

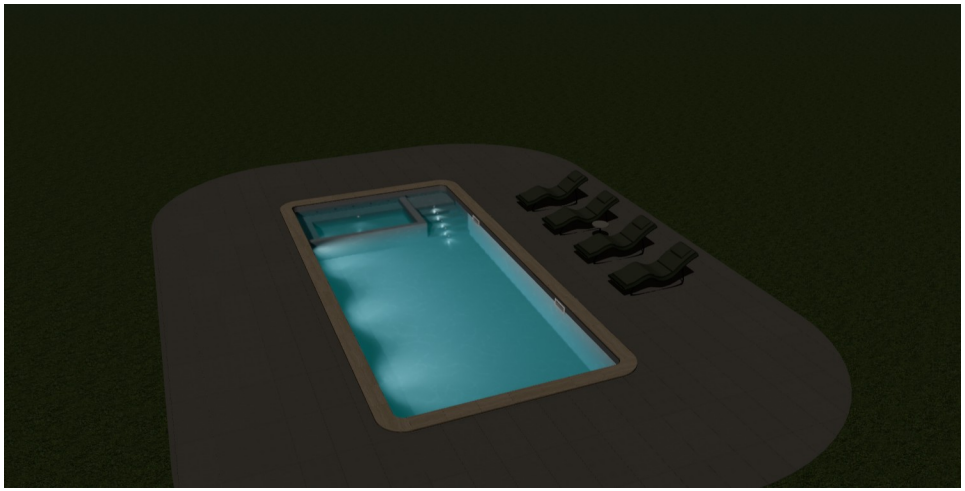

Configuration data, not a construction design. Flow rates, suction, balance tank and site compatibility require technical verification.

To be agreed with your consultant: Final equipment sizing

Presentation

DAY

NIGHT

The same pool, the same view: daylight and the atmosphere of evening.
